“Sustainability:

*development that meets the needs of the present
without compromising the ability of the future
generations to meet their own needs.”*

Judges Council is going green! That is to say we are studying ways to not use Florist Foam. Our V.P. Kathy Henderson is presenting programs this next year that will help us do away with our use of toxic floral foam.

Each month we will have a program about alternative foundations, helping us become Eco Friendly in our designs.

There are two NGC Standard Flower Shows now being planned:

The Chrysanthemum Show, November 18 & 19, 2023 in the Valley Garden Center. The Show Schedule is on the AFGC Web Sight.

Contact Renee Waite to enter.

Tucson, March 23-24, 2024 place to be determined. Contact Sheila Parcel.

This past year we lost 2 of our pillars. Marcie Brooks moved to Lodi, CA & Buff Harrington passed away in April. Many of us were able to see Buff when she visited the Convention in April. Both Master Judges, Past Presidents of JC, Doris Helvig Award Winners & Mentors to many of us. They will be missed.
