

Event Calendar Chairman Report October 12, 2024

Garden clubs are asked to please contact the Event Calendar Chairman before scheduling events, such as flower shows and fundraisers, to prevent date conflicts with other AFGC, NGC and Regional events. When a garden club event is scheduled, garden clubs should provide the Event Calendar Chairman with their event details, including contact person, phone and email so that the Chairman can publish the event on the AFGC website calendar page. Garden club event photos, flyers and forms are also welcomed.

Garden clubs can submit their event details using the new online form at <https://azgardenclubs.com/event-request-form/>

Chairman is maintaining dates of upcoming events on the AFGC website calendar (<https://azgardenclubs.com/calendar/>). Included in the event listing is who, what, where and when and other pertinent information; plus contact person's name, address, email, and phone number.

Chairman uses a website administrator login to access Events on the website. Event Calendar Chairman communicates with Elisabeth Samuels, Webmaster, for help with the AFGC website.

Upcoming dates of events within the districts, the AFGC, Pacific Region and National Garden Clubs, Inc. are recorded on a physical event calendar and on the AFGC website calendar.
